Dear Friends:

On behalf of the United States House of Representatives, it is my privilege to send greetings to the Armenian Assembly of America as you gather for this year’s National Advocacy Conference and Gala.

It is a joy to join you in celebrating my friend and colleague, Congresswoman Jackie Speier, as she receives the Deukmejian Award for Public Service: a wonderful tribute to an iconic leader of our beloved state of California! Congresswoman Speier has been a persistent, effective champion of the United States-Armenian relationship for decades, and her leadership has been critical in forging ever-stronger ties between our governments and people.

Please accept my deep gratitude to the Armenian Assembly for your tireless efforts to strengthen the bonds between the United States and the Republic of Armenia. Since its inception, the Assembly has been a critical partner in our shared mission to promote public awareness of important issues for the Armenian-American community. Your leadership has shined a powerful light on the priorities of the Armenian American community and has engaged diverse and dynamic communities across the country to advocate for progress.

As a strong supporter of the Armenian-American community, I look forward to continuing to work together to advance our shared values. Please accept my best wishes for a successful event.

best regards,

Nancy Pelosi
