Dear Friends,

On behalf of the United States House of Representatives, it is an honor to send my highest regards to the Armenian Assembly of America as you join together for this year’s National Advocacy Conference and Gala.

Today’s event marks a special occasion to celebrate the Republic of Armenia’s landmark political transition to democracy and to recognize our colleague Congresswoman Jackie Speier, as she receives the Deukmejian Award for Public Service. This is a well-deserved tribute to Congresswoman Speier for her commitment to the pursuit of strong U.S.-Armenia relations. With over a decade of service in the House of Representatives, Congresswoman Speier has remained committed to solidifying the Republic of Armenia’s democracy and her leadership has been vital in developing stronger ties between our two countries.

I’d also like to extend my deep appreciation to the Armenian Assembly for your ongoing efforts to strengthen the bilateral relations between the Republic of Armenia and the United States. The Armenian Assembly has been a partner since its inception and your leadership has helped engage us as elected officials with the critical needs facing the Republic of Armenia and the Armenian-American community in the United States.

As a proud member of the Congressional Armenian Caucus, I look forward to partnering with the Armenian Assembly to advance U.S.-Armenia relations. Please accept my best wishes for a terrific event!

Sincerely,

TJ Cox
Member of Congress
